TEXNA AUSTIN TURY TELESCOPE

+Or Thief on the Cross.)

Finest Age.

When he was only a months old

check A joy to tickle and to hold Before he'd even learned to speak His gentle mother used to say "It is too bad that he must grow,

If I could only have my way

And then the year was turned, and he

His baby ways we'd always know.

Then many a night she whispered

they baby new is such a low-

I have to think that he must grow To be a wild and pections boy But on he went and sweater grew And then his mother I recall

Wished she could keep him always I For that's the timest age of all She thought the self-same thing at And now that he is a she area To think that he cannot always be The youngster with the laughing

On little how, say when in and Always to keep you I yours old Each night I stand health your out And think of want the years mov-

hold and looking flown on you I pray

small. The mother of our man will say This is the Opentuge of all - Edgar A Gonst in the Detroit from Perents.

A Bedroom Library.

Press

Every one has favorites tavorite colors, favorite songs, favorite place to indulge in them. But books all afree: room and there enth one them in a spoon holder and the guest favo place of prominence and honor. As was a handpainted saint how) a man- or woman is known by the Refreshments of shorher cake and tion should they enjoy.
